

Understanding Your Graduation Plan

The Graduation Plan is a student's personalized path to graduation and available from the Quick Links area on the landing page. Access Graduation Plans on-demand to review progress toward graduation!

View Progress at a Quick Glance:

Utilize the **Credit Summary** at the top of the **By Year** view to review progress toward graduation.

- Refer to the **Credits Required** to see how many credits must be attained to graduate.
- Refer to **Credits Earned** to see how many total credits have been completed as of the last grading period.
- Credits Needed to Graduate** shows how many credits must be completed to graduate.
- % Complete** shows total credits earned, as of the last grading period, divided by total credits required.
- NOTE: Credits Earned – Not Counted and Credits Needed** are for school use only.

Credits by Year:

Utilize the **By Year** view to see a breakdown of credits earned, in progress, and planned (Not Started) for each year.

- Review credits marked as **Earned** to see all courses that have been completed, and count toward the graduation requirements.
- Courses marked as **In Progress** will show courses that are currently being taken; credits listed will only be earned after passing the course.
- To view all upcoming courses that will need to be completed, reference courses marked as **Not Started** on the plan.

Beyond the Credits:

The graduation plan also tracks progress on items that go beyond course/credit requirements but yet are just as important.

- The **Additional Requirements** section highlights progress and serves as a reminder for outstanding items.
- Pay close attention to those marked as **Required**, as these must be completed to graduate.
